

PATIENT ENROLMENT INCENTIVE REMINDER

A patient panel package was mailed to eligible physicians on April 15, 2019. The package was sent to family physicians who attested that they are providing comprehensive and continuous care to their patients by signing and returning the Physician Confirmation Letter provided by MSI, prior to February 1, 2019.

We would like to remind you that your patient panel will be accessible via the link provided until May 23, 2019. Your patient panel will need to be updated and finalized during this time period. As noted in the Physician's Bulletin of April 5, an incentive will only be paid to those physicians who completed the verification process and finalized their panel.

The following sections of the Patient Panel Verification Instructions have been updated based upon questions/feedback received over the last week:

- Accessing Your Panel
- Resetting a Forgotten Password
