

OPTOMETRY BULLETIN

June 30, 2020

Important Information on Non-Face-to-Face Services Provided During Pandemic.

Eligible dates of service has been extended to **September 30, 2020**

Optometrists may claim for the following services when they are provided non-face-to-face (via telephone or *Personal Health Information Act* [PHIA] compliant virtual care platform):

- 03.03 CNTC
- 03.03 CCDX

These will be paid at the current tariff remuneration rates, consistent with current frequency limits. Eligible dates are March 25, 2020 to September 30, 2020.

The terms of the non-face-to-face services remain consistent with the previously published bulletin from [May 2020](#).
