Interim Health Service Codes

Interim Fees are established in certain circumstances with approval from the Department of Health and Wellness. A Health Service Code is assigned to an interim fee and will be published in the MSI Physician's Bulletin.

The current interim fees are listed below. If an interim fee becomes terminated or made permanent it will be removed from this list and updated in the MSI Physician's Bulletin and/or Manual as applicable.

The following Interim Health Service codes are effective April 1, 2017

Category	Code	Description	Base Units
CONS	03.09K	Specialist Telephone Advice – Consultant Physician – providing advice	25 MSU + MU
CONS	03.09L	Specialist Telephone Advice – Referring Physician – requesting advice	13 MSU + MU
<p>Description</p> <p>This health service code may be reported for two-way telephone (or other synchronous electronic verbal communication) or face to face conversations regarding the assessment and management of the patient but without the consulting physician seeing the patient.</p> <p>This service includes a review of the patient's relevant history, relevant family history, relevant history of presenting complaint, and a review of any laboratory data, PACS images, medical records or other data as needed to provide advice. This health service includes a discussion of the relevant physical findings as reported by the referring health care provider.</p> <p>This health service code may also be reported for asynchronous communication regarding the assessment and management of a patient, but only when utilizing a health authority-approved platform and consistent with all other billing requirements. Multiples may not be claimed for asynchronous services.</p> <p>The referring physician may be a nurse practitioner, midwife, optometrist, family physician or other specialist seeking an opinion from the consulting physician due to the complexity and severity of the case.</p> <p>The referring physician or provider must document:</p> <ol style="list-style-type: none"> 1. The patient demographic information 2. The date and time of the communication with the consultant 3. The clinical concern 4. The advice received from the consultant – including the name of the consultant <p>The referring physician or provider must provide an electronic or written copy of this documentation within 7 days of the service to the consultant physician.</p> <p>The consultant physician must review the documentation from the referring physician or provider within 14 days of the service. If clarification or corrections are indicated in the documentation, the consulting physician must provide a written addendum to provide this clarification and return it to the referring physician or provider within 21 days of the service. Both physicians/providers are responsible for retaining medical records pertaining to this service.</p> <p>The services are not reportable when the purpose of the communication is to:</p> <ul style="list-style-type: none"> - Arrange transfer - Arrange a hospital bed for the patient - Arrange a telemedicine consultation - Arrange an expedited face to face consultation - Arrange a laboratory, other diagnostic test or procedure 			

Category	Code	Description	Base Units
		<ul style="list-style-type: none"> - Inform the referring physician of the results of diagnostic investigations - Decline the request for a consultation or transfer the request to another physician <p>The service is reportable only when the communication is rendered personally by the physician reporting the service and is not reportable if the service is delegated to another health professional such as:</p> <ul style="list-style-type: none"> - Nurse practitioner - Resident in training - Clinical fellow - Medical student <p>This service is not reportable for telephone calls or face to face conversations of less than 5 minutes of two-way medical discussion.</p> <p>If the discussion exceeds 24 minutes, multiple units may be claimed in 15-minute increments up to a total of maximum time of 60 minutes for the entire encounter. Where MU are claimed, start and stop times must be recorded in the patient's health record and in the text of the claim. Multiples may not be claimed for asynchronous services.</p> <p>Documentation Requirements</p> <ul style="list-style-type: none"> • The referring physician or provider must document that he/she/they have communicated the reason for the consultation and relevant patient information to the consultant physician • Both the consultant physician and the referring health care provider must document the patient's name, identifying data, date and encounter time in their respective charts or EMRs. • The names of the referring health care provider and the consultant physician must be documented by both the referring health care provider and the consultant physician. • The diagnosis, reason for referral, elements of the history and physical as relayed by the referring health care provider, the opinion of the consultant physician and the plan for future management must be documented by the referring health care provider and the specialist consultant. The consulting physician may use a copy of the documentation from the referring health care provider to support this HSC claim, but it must be reviewed and 'signed off' by the consulting physician. • A written report must be sent to the referring health care provider by the specialist consultant. The specialist consultant may satisfy this requirement by returning a copy of the documentation from the referring provider as long as it was reviewed and 'signed off' by the consultant physician. • The referring health care provider's billing number must be noted on the claim from the consultant. This is not required for the referring health care provider's claim. <p>Billing Guidelines</p> <ul style="list-style-type: none"> • The consultant physician service is not reportable in addition to any other service for the same patient by the same physician on the same day. • The referring health care provider service may be reported when the communication with the consultant occurs on the same day as the patient visit or other service. <p>Multiples: 03.09K 17.5 MSU per 15 minutes 03.09L 13 MSU per 15 minutes</p> <p>Specialty Restriction: SP=GENP, SP=PSYC, SP=INMD, SP=PEDI, SP=OBGY</p> <p>Location: LO=OFFC</p>

DEFT	NPIV1	<p>New Patient Intake Visit</p> <p>Description A new patient intake visit may be billed when a family physician accepts a new patient into their office practice and arranges an appointment for the purpose of gathering a detailed medical and social history in order to establish an ongoing patient-physician relationship and to construct the patient's medical record. Includes review of clinical documents prior to the visit and establishment of medical record on the same day. (Includes face to face and non-face to face time)</p> <p>Billing Guidelines</p> <ul style="list-style-type: none"> • Such an encounter shall include documentation of the new patient's current health status, past medical history, relevant social and family history, and a list of current medications and allergies, as well as any physical examination as clinically appropriate. All components of this service must be completed on the same day. • If a medically necessary service is indicated during the initial visit, the time taken to address this can contribute to the multiples claimed. This fee is considered to compensate for a medically necessary service, if required at the initial visit. • Physician must submit ME=CARE declaration letter before billing any NPIV services. • The fee can only be billed once per physician per patient when the physician is first accepting the patient into their attached roster, it cannot be billed for patients already on your roster. For physicians in a collaborative practice, you may bill the NPIV1 when you are accepting a patient from a retiring/relocating physician within your collaborative practice for whom you may have billed ME=CARE in the past, as long as the patient is new to your panel. • For New Patient Intake Visits that are less than 30 minutes (including both the face to face and non-face to face time), the physician should bill fee code NPIV1 with one multiple. For New Patient Intake Visits that are greater than 30 minutes the physician can bill a maximum of 5 multiples, i.e., 90 minutes. Prolonged office visits are paid in 15-minute time blocks or portion thereof. When billing multiples, start and stop times of the encounter time must be documented in the health record and on the text field of the claim. • The NPIV fee code can only be billed once per patient per physician. • May not be billed with any other visit code or procedure code at the same encounter. • Not applicable for virtual care. • When billed in the Nursing Home location (LO=NRHM), the following rules apply: <ul style="list-style-type: none"> ○ Only the physician most responsible for the ongoing primary care of the patient may use this code ○ Physicians on the LFM payment model must have Nursing Home/ Long Term Care included in their LFM hours to use this code; LFM physicians who see patients in Nursing Home / Long Term Care outside of their LFM hours may not use this code. <p>Multiples: 17 MSU per 15 minutes to a maximum of 5 multiples (90 minutes)</p> <p>Premium Eligible: TI=GPEW</p> <p>Specialty Restriction: SP=GENP</p> <p>Location: LO=OFFC, LO=NRHM, LO=HOME</p>	34 MSU +MU
